\$20.00 FEE

Camping on Speedway Grounds:
All campers will register at the gate.
Due to new regulations, all campers will have their holding tanks pumped before leaving the Speedway grounds on Sunday. The fee for this service is \$20.00. The fee will be collected upon entering the grounds and a registration form will be filled out. At no time may gray or black water be dumped at the Speedway. Failure to follow camping rules will result in you being asked to leave.

Eastside & Natural Bridge Campers:
There are some camping limitations in these pit areas. See your track operator for more information.

ATTENTION

If you camp at the track there will be
NO music, NO fires, NO loud mouths,
NO falling down drunks.

PIT VEHICLES

ATV's, Golf Carts, Mini-Bikes and others.
All pit support vehicles will be registered.
There will be a \$20.00 registration fee.
NO ONE WITHOUT A VALID DRIVERS
LICENSE WILL BE PERMITTED TO
OPERATE A TWO-WHEELER, GOLF CART
OR ATV. Any pit support vehicle driven by
a non-licensed driver or in a dangerous manner
will result in the racecar he or she is with being
disqualified and ejected from the Speedway.
You must register your pit support vehicle at the
main entrance. You will be issued an ID sticker
for the vehicle. We will monitor this closely during
the weekend. In the past we have had personal
injury or damage to a racecar result from underage
unlicensed drivers crashing into racecars.
THIS IS A SERIOUS MATTER.
This applies to everyone, no exceptions.
The owner of the pit vehicle takes full
responsibility for injury or damage caused
by his pit vehicle.
